

## APRIL 2019: TIP OF THE MONTH

### LSI SCORING MECHANICS: IF/THEN RULES

#### If/Then Rules for Scoring the LSI-R

| Item # | IF                | Item #:    | THEN                                  |
|--------|-------------------|------------|---------------------------------------|
|        | 2 score           |            | 1 score                               |
|        | 3 score           |            | 2 & 1 scores                          |
|        | 15 score          |            | 16 score                              |
|        | 11 score          | 18, 19, 20 | rate 0 (items scores)                 |
|        | 34 score          |            | 33 score                              |
|        | 39 score          |            | 37 score                              |
|        | 40 score          |            | 33 & 38 score                         |
|        | 39 &/or 40 scores |            | @ least 1 item from<br>#41 – 45 Score |
|        | 47 score          |            | 46 score                              |
|        | 49 score          |            | 48 score                              |

### LSI Scoring Mechanics:

#### There are three scoring mechanics

1. LSI Time Frame, 2. Risk Scoring and Protective Rating
3. IF/THEN RULES: The IF/THEN Rules exist in the LSI scoring to ensure that logical items (situations) are scored the same.
