TWO-PART MINI SERIES THINGS ARE RELATED TO THINGS: HIV, STIS AND SUBSTANCE USE

Danilyn Galvez, MPH
HIV Testing Coordinator
Harm Reduction Services Branch,
Department of Health

Breena Gaskov
Epidemiological Specialist
Harm Reduction Services Branch,
Department of Health

This webinar is intended for substance use and other health and human service professionals.

At the end of this webinar, participants will be able to:

- Explain HIV, STIs and substance use as a syndemic and HIV prevention, transmission and treatment
- Know more about common STIs and how common STIs are spread
- Identify harm reduction techniques that can decrease a person's risk for HIV and techniques in preventing the spread of STIs
- Understand U=U, what happens when STIs are not treated/cured, what to do if someone thinks they have an STI, and how STIs are treated
